## INFORMATION REGARDING DEPOSIT AND REDEPOSIT CIVIL SERVICE RETIREMENT SYSTEM

Read this information carefully before filling out the attached application.

### WHO SHOULD USE THIS APPLICATION?

You should use this application if you are covered by the Civil Service Retirement System (CSRS) and you want to pay a deposit or a redeposit for civilian service. You should **not** use this application if you are covered by the Federal Employees Retirement System (FERS).

### WHAT YOU SHOULD KNOW ABOUT DEPOSIT FOR CIVILIAN SERVICE UNDER CSRS

**Deposit** is a payment to the retirement fund to cover a period of civilian service during which no retirement deductions were withheld from salary (also called "nondeduction" service).

**Deposit is optional.** You do not have to make it if you do not wish to do so.

**Deposit cannot be made** for military service before January 1, 1957, periods of separation or leave without pay, or for time covered by a lump-sum leave payment.

**Amount of deposit** will be the percentage of your basic salary shown below, plus interest.

If Deposit Covers Service Between	Percentage Of Basic Salary Is
--------------------------------------	----------------------------------

July 1, 1926, and June 30, 1942	3 1/2%
July 1, 1942, and June 30, 1948	5%
July 1, 1948, and October 31, 1956	6%
November 1, 1956, and December 31, 1969	6 1/2%
After December 31, 1969	7%

(Certain special categories of employees are subject to higher percentage deductions as specified in 5 U.S.C. 8334.)

**Interest** is computed on the deposit from the midpoint of each period of nondeduction service.

1. Interest for nondeduction service performed before October 1, 1982, accrues **daily** and is charged at the following rates, compounded annually:

- 4 percent through December 31, 1947; and
- 3 percent from 1948 through the date the deposit is made or to the commencing date of annuity, whichever is earlier.

Note that no interest is charged for periods of separation that began before October 1, 1956. Additional interest does not accrue if payment is made in full within 30 days after OPM issues the billing statement.

2. Interest for nondeduction service performed on or after October 1, 1982, accrues **annually** and is charged at the following rates, compounded annually on December 31 of each year:

- 3 percent through December 31, 1984; and
- A variable rate determined annually by the Department of Treasury beginning January 1, 1985. The variable interest

rate for any year equals the overall average yield to the fund from retirement securities during the preceding fiscal year.

Note that no interest is charged for a year when payment in full is received by December 31 of that year. When interest begins during a year, it accrues for the remainder of that year.

3. If nondeduction service spans the October 1, 1982, date, OPM does two interest computations. The first goes from the beginning of the period through September 30, 1982, using the rules in effect through September 30, 1982. The second computation is from October 1, 1982, to the ending date, using the rules that apply to service performed on or after October 1, 1982. The sum of the two amounts is the interest owed for the period.

**Deposits cannot be withdrawn** unless you become eligible for and obtain a refund of all your retirement deductions. If you make a deposit, become eligible for a refund, have deductions in the fund covering more than one year of service and have less than five years of creditable civilian service, interest will be payable on the refund at 3%.

**Postponing payment of deposit** will cause the amount to increase because of additional interest. However, so long as the deposit is not made, you have the use of your money for other purposes. You may postpone making the deposit until you retire, and, in the event of death before retirement, your widow (or widower) may make a deposit.

#### If deposit is not made

- **For nondeduction service performed before October 1, 1982.** You will receive credit for this service toward your retirement annuity; however, your annuity will be permanently reduced by 10% of the amount due as a deposit. For example, if a deposit of \$600 is required and it is not paid, the annuity is permanently reduced by \$60 a year (or \$5 a month). On the other hand, if a deposit of \$600 is made at retirement, it will increase the annuity by \$60 a year.
- **For nondeduction service performed on or after October 1, 1982.** You will receive no credit for this service in the computation of your annuity; however, the service will be used to determine the length of service needed for title to an annuity and can be used for average salary purposes.

## WHAT YOU SHOULD KNOW ABOUT CSRS REDEPOSIT

**Redeposit** is a payment to the retirement fund covering a period of service for which retirement deductions were withheld from salary and later refunded to you.

**Redeposit is optional.** You do not have to make it if you do not wish to do so.

**Amount of redeposit** will be the sum of the refund plus interest from the date the refund was paid to the date of redeposit (or commencing date of annuity, if earlier).

### Interest

1. If the refund was based on an application received by the employing agency or OPM before October 1, 1982, interest on the redeposit accrues **daily** beginning on the date the refund was paid and is charged at the following rates, compounded annually:

- 4 percent through December 31, 1947; and
- 3 percent from 1948 through the date the redeposit is made, or to the commencing date of annuity, whichever is earlier.

Note that no interest is charged for periods of separation that began before October 1, 1956. Under the pre-October 1, 1982, rules, additional interest does not accrue if full payment is made within 30 days after the billing statement is issued.

2. If the refund was based on an application received by the employing agency or OPM after September 30, 1982, interest is charged on the redeposit, beginning on the date the refund was paid, at the following rates, compounded annually:

- 3 percent through December 31, 1984; and
- A variable rate determined by the Department of Treasury beginning January 1, 1985. The variable rate for any year equals the overall average yield to the fund from retirement securities during the preceding fiscal year.

Note that for post-September 30, 1982, refunds, interest is

not charged for a year when payment in full is received by December 31 of that year. When interest begins during a year, it accrues for the remainder of that year.

**Redeposit cannot be withdrawn** unless you become eligible for and obtain a refund of all your retirement deductions.

**Postponing payment of redeposit** will cause the amount to increase because of additional interest. However, so long as the redeposit is not made, you have the use of your money for other purposes. You may postpone making the redeposit until you retire, or, in the event of death before retirement, your widow (or widower) may make it.

**If redeposit is not made** for service which ended on or after October 1, 1990, you will receive no credit in the computation of annuity for the period of service covered by the refund. This usually results in a sharp reduction in the amount of your annuity, or, in the event of death, your eligible widow's (or widower's) annuity. However, the period of service will be creditable for title and average salary purposes whether or not a redeposit is made.

**If redeposit is not made for service which ended before October 1, 1990**, and your annuity commences on or after December 2, 1990, you will receive credit for the period of service covered by the refund in your annuity computation. However, if you do not pay the redeposit of this service, your annuity will be permanently, actuarially reduced because the redeposit is not paid. The amount of the reduction will be based on factors which will be divided into the amount of redeposit and interest you owe at retirement.

**NOTE:** The discussion above regarding redeposits which are not made is based on Public Law 101-508 and is subject to change at any time. This law does not apply to persons who retire on disability. This means that you could decide not to pay a redeposit now because you can receive credit for the service even though the redeposit is not paid, but **at retirement** you could find that you must pay for the service after all and that the accrual of interest has considerably increased the amount you must pay.

## PROCEDURES GOVERNING CSRS DEPOSIT AND REDEPOSIT

**Deposit or redeposit** can be made by employees now serving under the CSRS, by separated employees who are entitled to an annuity, or by eligible widows, widowers, or former spouses of deceased employees. An applicant for retirement is automatically given an opportunity to make the deposit for nondeduction service performed on or after October 1, 1982, and any redeposit when the application for retirement is processed. An applicant for retirement must specifically request an opportunity to make a deposit for nondeduction service performed before October 1, 1982. **An employee should not file an application to make deposit or redeposit if he or she contemplates retirement within six months.**

**If you are employed** by the Federal or District of Columbia Government, you must send your completed application to your department or agency first because they must certify it.

**If you are separated** from the Federal or District of Columbia Government, send your completed application directly to the Office of Personnel Management, Refund and Deposit Section, P.O. Box 45, Boyers, PA 16017.

**Instructions** for making payment together with a bill for the amount due will be sent to you as soon as the processing of your application is completed. In the meantime, though, once your application is received, we will acknowledge receipt of it. If you file and do not receive an acknowledgement within 30 days, contact your agency to be sure your application was forwarded to the Office of Personnel Management.

**Installment payments** of at least \$50 are acceptable. However, interest is chargeable on the unpaid balance, so that additional interest may have to be paid.

**Additional Information** and assistance in completing this application may be obtained from the personnel office of the Government department or agency in which you are employed. If this source of information is not available to you, contact the Office of Personnel Management, Civil Service Retirement System, Boyers, PA 16017, or call (202) 606-0500.
